A guide to becoming a
Home Concierge Specialist

Home360 is a Nationwide Supply & Design Company Specializing in...

Kitchens, Bathrooms, Closets, Flooring,
Home Décor and Outdoor Spaces

With the use of technology and
relationships with Local Contractors we
provide a life-time service for homeowners.

One person and place to buy, or book
absolutely everything a homeowner will
ever need.

About Us

Our low overhead structure and use of
technology enables us to pass on savings to
our clients

- Our Main Goal is to Design and Supply complete projects for a Homeowner.
- For example... A Kitchen remodel
- We would provide 3d designs, measurements and an estimate for Cabinets, Appliances, Backsplash, Flooring, Hardware, Lighting, Faucets, Sinks
- We would then send local Contractors to provide install estimates
- We also provide financing for the remodel if needed.
- We offer Wholesale pricing for the entire project and you as the concierge receive commission on everything purchased.

WE WORK WITH CONTRACTORS AND REALTORS FOR LIVE-LONG CLIENT REFERRALS
